Reference: Response to Letter Sent Regarding April Quarterly Report

Dear Ms. Grant,

This letter is in response to your June 2, 2009 letter to Doggett for U.S. Congress. The Committee changed software providers last year, and is still working to resolve a few technical glitches, which resulted in the issues pointed out in your letter. Those issues are addressed below.

1. The first item referred to a refund of \$2,000 to Stanford Financial Group Co Employees PAC STANPAC, and the Commissions question as to whether the Committee had previously reported the receipt of this contribution. The date and amount of the refund on STANPAC was properly reported. An August 1, 2008 contribution in the amount of \$1,000 from STANPAC to the Committee was properly reported in the October 2008 Quarterly Report. A second \$1,000 contribution by STANPAC to the Committee on January 30, 2009, was entered in a timely fashion but did not appear on the report due to a software glitch. That software issue has been addressed, and the contribution can be seen in our amended report.
2. The second item inquires about \$3,098.01 in other receipts from Kristi Willis. These receipts were properly reported as repayment of debt, but did not include a memo item stating that purpose as was done in prior reports over several years. The Committee has amended its Year-End and April Quarterly reports to include this memo item.

Attached is an amended report that addresses the items in your letter.

Sincerely,

James Cousar  
Treasurer
